

Child and Adolescent Inpatient Attending Position at NewYork-Presbyterian/Westchester

Weill Cornell Medicine's Department of Psychiatry in conjunction with NewYork-Presbyterian Hospital is seeking to recruit a child and adolescent Psychiatrist for an inpatient attending position on our general acute care service at NewYork-Presbyterian/Westchester Division in White Plains, New York. Academically-oriented physicians with a strong foundation in the assessment and treatment of children and adolescents with psychiatric disorders are encouraged to apply. Responsibilities include working with a multidisciplinary team to provide clinical care to patients and teaching and supervision of medical students and residents.

Minimum Requirements: Board certified or eligible in Psychiatry and child and adolescent psychiatry. Completion of a child and adolescent psychiatry fellowship. Possess or be eligible for a NYS license.

Founded in 1898, and affiliated with what is now NewYork-Presbyterian Hospital (NYPH) since 1927, Weill Cornell Medical College (WCMC) is among the top-ranked clinical and medical research centers in the country. The NewYork-Presbyterian/Westchester Division is a 260-bed facility renowned for the range and quality of its inpatient and outpatient specialty programs, as well as its general psychiatric services. The program has been named a "Planetree Designated Patient-Centered Hospital" – the first behavioral health hospital in the U.S. and one of only 16 hospitals worldwide to receive this distinction. We are consistently recognized as one of the nation's best psychiatric programs by U.S. News and World Report.

Weill Cornell Medical College is an equal opportunity, affirmative action educator and employer.

Qualified candidates are invited to email a CV and brief letter of professional interest to:
