## Seeking Inpatient Psychiatrist for Women's Mental Health Service:

### New York Presbyterian Westchester Behavioral Health

Weill Cornell Medicine's [Department of Psychiatry](#) in collaboration with NewYork-Presbyterian is seeking a **Psychiatrist** for an Inpatient Attending position on its newly designed **Women's Mental Health Service** at Westchester Behavioral Health (WBH). Located on a historic campus in White Plains, New York, WBH is a 250-bed hospital with general and specialty programs across the continuum of care. Academically oriented clinicians with a strong foundation in reproductive psychiatry are encouraged to apply. The Service will be designed to address the needs of women requiring psychiatric hospitalization with illness onset in the peri- or post-partum periods; women experiencing psychiatric symptoms related to complex trauma; and women who would otherwise benefit from a specialized, trauma-informed approach to care at any point in the reproductive life cycle. Responsibilities include collaborating with a multidisciplinary team to provide world-class clinical care to patients and their families and teaching and training the next generation of clinicians. Weill Cornell Medicine's Department of Psychiatry has a deep commitment to promoting professional growth and nurturing and advancing an individual's career goals.

Health equity is one of Weill Cornell Medicine's core values and is essential to achieving excellence in patient care, research, and education. We seek applications from candidates who share our commitment to fostering a culture of diversity, inclusion, and representation. Weill Cornell Medicine is an Equal Employment Opportunity Employer, seeking applicants from diverse backgrounds, including race, sex, sexual orientation, gender identity, national origin, color, age, religion, protected veteran or disability status, or genetic information.

**Minimum Requirements:** Candidates must be Board certified or eligible in Psychiatry and possess or be eligible for a New York State license. Academic rank commensurate with experience.

Founded in 1898 and affiliated with what is now NewYork-Presbyterian Hospital (NYPH) since 1927, Weill Cornell Medical College (WCMC) is among the top-ranked clinical and medical research centers in the country. Westchester Behavioral Health is a 250-bed hospital on a beautiful, historic campus that is renowned for the range and quality of its inpatient and outpatient specialty programs, as well as its general psychiatric services. The program has been named a "Planetree Designated Patient-Centered Hospital" – the first behavioral health hospital in the U.S. and one of only a few hospitals worldwide to receive this distinction.

#### **Compensation:**

Minimum/Maximum salary: \$300,000

Weill Cornell Medicine provides the above [salary range](#) in compliance with the New York City law on Salary Transparency in Job Advertisements. The salary range listed is for full-time employment not including bonuses, clinical incentive compensation, or benefits. Actual salaries depend on a variety of factors including but not limited to internal equity, specialty, training, and hospital/community needs.

The above salary range represents WCM's good faith and reasonable estimate of possible compensation at the time of posting.

#### **Application Instructions:**

Qualified candidates are invited to send a CV and brief statement of professional interest to:

Jennifer Walsh, Chief Administrative Officer, Psychiatry

Weill Cornell Medicine
