

Weill Cornell Medicine

PROVIDING WORLD-CLASS CARE WITH  **NewYork-Presbyterian**

Weill Cornell Medicine's Department of Psychiatry is seeking a **Psychiatrist** for an Inpatient Attending position on its Young Adult Service at Westchester Behavioral Health (WBH). Located on a historic campus in White Plains, New York, WBH is a 250-bed hospital with general and specialty programs across the continuum of care.

Academically-oriented clinicians with a strong foundation in the evaluation and treatment of transitional-age youth are encouraged to apply. The Service will be designed to address the needs of young adults requiring psychiatric hospitalization. Psychiatrists will care for patients with a broad range of diagnostic presentations, including but not limited to personality disorders, first-episode mania and psychosis, depression, and anxiety disorders. Responsibilities include collaborating with a multidisciplinary team to provide world-class clinical care to patients and their families and teaching and training the next generation of clinicians. Psychiatrists with training in Child & Adolescent psychiatry, who have a strong foundation in DBT principles and the management of borderline personality disorder, and/or who have expertise in first-episode psychosis are particularly well-suited to this position. We have a deep commitment to promoting professional growth and to advancing an individual's career goals.

Health equity is one of Weill Cornell Medicine's core values and is essential to achieving excellence in patient care, research, and education. We seek applications from candidates who share our commitment to fostering a culture of diversity, inclusion, and representation. Weill Cornell Medicine is an Equal Employment Opportunity Employer, seeking applicants from diverse backgrounds, including race, sex, sexual orientation, gender identity, national origin, color, age, religion, protected veteran or disability status, or genetic information.

Minimum Requirements: Board certified or eligible in Psychiatry and Child and Adolescent Psychiatry. Completion of a child and adolescent psychiatry fellowship. Possess or be eligible for a NYS license.

Minimum salary: \$325,000 **Maximum salary:** \$325,000

Weill Cornell Medicine provides the above salary range in compliance with the New York City law on Salary Transparency in Job Advertisements. The salary range listed is for full-time employment not including bonuses, clinical incentive compensation, or benefits. Actual salaries depend on a variety of factors including but not limited to internal equity, specialty, training, and hospital/community needs. The above salary range for New York City based roles represents WCM's good faith and reasonable estimate of possible compensation at the time of posting.
