

Weill Cornell
Medicine

Weill Cornell Medical College's Department of Psychiatry is currently seeking a **Psychiatrist** for an outpatient position in our Collaborative Care Program, a multi-disciplinary ambulatory practice on Manhattan's Upper East Side. The successful candidate will have experience and expertise collaborating with a multi-disciplinary treatment team to provide comprehensive assessment, treatment, and care management to a population of patients receiving primary and specialty care from Weill Cornell's large academic medical group.

Ideal candidate will have:

- An academic interest in developing novel treatment approaches that are high-quality, evidence-based, accountable, population focused, and cost-effective
- Experience with psychopharmacology, algorithmic care, and brief treatments
- Experience with integrated, managed systems of care
- Comfort with liaison psychiatry medicine
- Experience or interest in integrated approaches to care

Minimum Requirements: Academically oriented candidates are encouraged to apply. Must be board certified or eligible and possess or be eligible for a New York State license.

Founded in 1898, and affiliated with what is now NewYork-Presbyterian Hospital (NYPH) since 1927, Weill Cornell Medical College (WCMC) is among the top-ranked clinical and medical research centers in the country. Weill Cornell Psychiatry is one of the largest, most prestigious departments in the country, with a long, distinguished history of providing outstanding leadership in clinical care, training, and research in all areas of psychiatric disorders. Our programs at Payne Whitney in Manhattan and at NewYork-Presbyterian Hospital's Westchester Division are renowned for the range and quality of our inpatient and outpatient specialty programs and general psychiatric services.

Weill Cornell Medical College is an equal opportunity, affirmative action educator and employer.

Qualified candidates are invited to send a CV and letter of interest to:
