

Weill Cornell Medicine's Department of Psychiatry in collaboration with NewYork-Presbyterian Hospital, is currently seeking a full time Psychiatrist to join the Emergency Evaluation Service (EES) at the NewYork-Presbyterian Hospital/Westchester Division in White Plains, New York.

EES Psychiatrist is a member of the full-time faculty of the Department of Psychiatry, Weill Cornell Medical College. The EES psychiatrist responsibilities consist of coverage of the Evaluation Center as well as overnight and weekend support of the Acute Care Service. The work is typically divided into three 12 hour shifts per week and includes some overnight and weekend shifts. Education is an integral part of the experience as residents, medical students, PA students and NP students rotate through the service. Well compensated moonlighting opportunities are available.

The Evaluation Center is the portal for admission of all patients to the hospital and provides assessment services for transferred and walk-in patients. Most of the patients are received from regional emergency departments, hospitals, and the community. EES staff includes psychiatrists, residents, nurse practitioners, social workers, nurse evaluators, and support personnel who work together in an integrated team.

The Acute Care service comprises 10 units, including specialized units for affective disorders, psychosis, children, adolescents, geriatric patients and eating disorders providing for a diverse patient population.

Minimum Requirements: Candidates must be board certified or eligible in Psychiatry and possess or be eligible for a New York State medical license.
