

# Weill Cornell Medicine

PROVIDING WORLD-CLASS CARE WITH  **NewYork-Presbyterian**

**Date of Posting:** January 30, 2026

**Position:** Telepsychiatry Position, Emergency Psychiatry Division

**Location:** NewYork-Presbyterian/Weill Cornell Medical Center, Manhattan's Upper East Side

**Position Description:** Weill Cornell Medicine's Department of Psychiatry is seeking a qualified **Psychiatrist** for a faculty position in the Telepsychiatry Program within the Division of Emergency Psychiatry. The Telepsychiatry Program delivers psychiatric consultation via telehealth for patients presenting to emergency departments or admitted to inpatient units across NewYork-Presbyterian and affiliated hospitals.

**Responsibilities include:**

- Providing psychiatric evaluation and management for patients in emergency and inpatient medical settings across four NYP hospital sites.
- Liaison communication with multidisciplinary teams on site to improve patient outcomes.
- Facilitating linkage to appropriate psychiatric and medical services

The schedule consists of twelve 12-hour shifts per month including shared responsibility for nights, weekends, and holidays. Remote work is permitted in accordance with NYP's remote provider policy. Candidates must live within a two-hour commute of the main campus to ensure availability in person in case of technology-related disruptions to patient care.

**Minimum Qualifications:**

- Board certification in Psychiatry
- New York State medical license
- Subspecialty training in Geriatrics, Addiction, **or** Consultation-Liaison Psychiatry
- Ease with technology adaptability including evolving telehealth platforms, ability to troubleshoot basic tech issues, and familiarity with secure messaging and navigation of the unified electronic health record across multiple hospital sites.
- Excellent organizational and triaging skills to navigate communications with multiple treatment teams, and strong clinical decision-making under time constraints

**Preferred Qualifications:**

- 2+ years of experience on an active inpatient consult service
- Telehealth experience
- Leadership experience in acute settings, particularly triaging at a service level, resource allocation, staffing/scheduling, and collaboration with hospital leadership and multidisciplinary teams.
- Experience and interest in quality improvement and data-driven performance metrics.
- Multilingual proficiency

**Minimum/Maximum Compensation:** \$300,000 per annum.

Weill Cornell Medicine provides the above salary range in compliance with the New York City law on Salary Transparency in Job Advertisements. The salary range listed is for full-time employment not including bonuses, clinical incentive compensation, or benefits. Actual salaries depend on a variety of factors including but not limited to internal equity, specialty, training, and hospital/community needs.

The above salary range for New York City based roles represents WCM's good faith and reasonable estimate of possible compensation at the time of posting.

**Earliest Start Dates:** July 1, 2026 (Credentialing process takes approximately four months for external candidates)

**Application Instructions:** Qualified candidates are invited to email a CV and a brief letter of professional interest to: Jennifer Walsh, Chief Administrative Officer, Psychiatry at [jaw2015@med.cornell.edu](mailto:jaw2015@med.cornell.edu)

**Application Deadline:** March 1, 2026, and then until the positions are filled thereafter.
